

The Drift sofa

Part of a new collaboration between Sutherland Furniture and architecture and design firm Workshop/APD, this chic Drift sofa has an angular base reminiscent of a ship's hull - and it appears as if it is floating. POA, sutherlandfurniture.com

The nautical Boatyard fabric

Ideal for sun umbrellas or for upholstering sunbeds, this high-performance sailing motif fabric, Boatyard by Ralph Lauren Home, will add a touch of nautical whimsy to any deck. £98 per metre, ralphlauren.co.uk

The outside edge

Emma Love hand-picks the best outdoor furnishings to bring comfort and character to your deck, city terrace or country garden

The handcrafted tray

Italian leather specialist Giobagnara and furniture brand Poltrona Frau have teamed up for a series of handcrafted goods, including this rectangular walnut tray with a water- and stain-resistant leather inlay. It's ideal for cocktails and nibbles. £690, abask.com

The teak director's chair

This oil-finished golden teak and marine-grade stainless-steel director's chair can be upholstered in a bespoke removable exterior fabric, such as this classic navy-and-white stripe. From £3,790, nealjonesfurniture.com

The sustainable Paley set

The modern angular form of the sustainable teak and marine-grade stainless steel Paley double chaise is offset by the intricate fluted details of the teak Paley round low occasional table. £14,380 and £4,135, summitfurniture.com

The outdoor cushions

Botanical themes were the starting point for new Rubelli creative director Formafantasma's first collection of fabrics, including Onda, this attractive geometric outdoor jacquard. £142 per metre, rubelli.com

The spiral Waves coffee table

High-gloss lacquer is paired with polished Corian to create sophisticated spiral patterns in this made-to-order oval Waves coffee table. POA, glynpetermachin.com

The curved Kalatrava bar chair

Curved mahogany armrests with a high-gloss finish complement the steel structure and soft leather upholstery of this Kalatrava bar chair by Vaar. €6,200, vaar.mc

The Corian Riviera collection

Superyacht design and naval architecture studio Espen Øino International has produced Riviera, a customisable collection of outdoor furniture for Siebensee. It consists of a dining and lounge chair, a bar stool, sun lounger and a coffee table with a teak base and Corian top. €8,584, siebensee.com
